Carter Smith

Dear Carter,

On behalf of The Congressional Award National Board of Directors, I am pleased to inform you that you have earned The Congressional Award's highest Award: The Gold Medal.

As you know, The Congressional Award is Congress' highest award honoring America's youth. You've met the challenge of The Award at the highest level and we commend you for your hard work and commitment -- achieving over 400 hours of voluntary community service, 200 hours for your own personal development, 200 hours toward your physical fitness, and planning and executing your own expedition/exploration.

Your accomplishments in earning The Congressional Award will be recognized at our annual celebration of Gold Medalists in the summer of 2027. We will send out more information as the time gets closer. Gold Medals will be presented or mailed to you in the summer of 2027 depending on the celebration format.

Congratulations for successfully completing the requirements to earn Congress' highest honor for youth. We are very proud of all you have accomplished!

Sincerely,

Shawn Whitman
Chairman
